

Economic Impact of the 2009 Indiana Companies to Watch

INCREASING IMPACT

Over a four-year period ending in 2008, these companies have generated nearly \$1.2 billion in revenue and added 1,061 employees – a 144% increase in revenue and 82% increase in jobs. That translates into a 35% annual revenue growth and a 22% annual growth in employees since 2005.

These companies project continued growth in the coming year, with a 46% revenue increase and 24% growth in employees compared to 2008. If 2009 projections hold, these companies will have generated \$1.9 billion in revenue and added more than 1,628 employees in five years – a 255% increase in revenue and 125% increase in jobs since 2005.
