

Workplaces Soaring; Join the Party

Time to celebrate with the 'best of them'!

You've heard the buzz (125 companies were recently named 2019 Best Places to Work in Indiana). Find out the rankings at the annual celebration on April 30.

This marks the program's 14th year in Indiana. Companies reap the benefits associated with being one of the state's finest employers: Enhanced employee morale. Talent recruitment and retention tools. Prestige with peers.

Winners are chosen based on employer reports as well as comprehensive and anonymous employee surveys. There are four company categories: small (between 15 and 74 U.S. employees); medium (between 75 and 249 U.S. employees); large (between 250 and 999 U.S. employees); and major (1,000 or more U.S. employees).

The Best Places to Work in Indiana Awards Dinner will take place at the Indiana Convention Center in downtown Indianapolis. Purchase a table: gold (\$1,950), silver (\$1,750), standard (\$1,250) or individual ticket (\$125).
