THANK YOU FOR YOUR INVESTMENT

INDIANA CHAMBER FOUNDATION

The Indiana Chamber Foundation has provided leadership through practical policy research since 1981 to improve Indiana's economic climate. More than 100 organizations and individuals have invested in this important work through support of the Foundation's ongoing initiatives to guide the state's future growth and success, highlighted by *Indiana Prosperity 2035: A Vision for Economic Acceleration*. We thank them for their generous investment in Indiana's long-term economic growth and prosperity.
